

SAINSA RETHMI THENNAKOON

IT Professional | Aspiring UI/UX Engineer | Networking & Data Management

+94704839927 | reththennakoon.edu@gmail.com | linkedin.com/in/sainsa-rethmi-thennakoon

EXPERIENCE

Finalist – Circle Edge National Competition
Shangri-La Colombo

Nov 2025 | Colombo, Sri Lanka

- Recognized for excellence in technical architecture and system planning.
- Awarded the Innovative Software Solution Award for delivering a scalable solution.

Participant – Genesys Hackathon
IJSE Institute of Software Engineering

Jun 2024 | Panadura, Sri Lanka

- Semi-finalist in a competitive 24-hour national hackathon, collaborating in a fast-paced environment to design and implement core system features.
- Collaborated in a fast-paced team environment to design and implement core system features.

UI/UX Engineer Intern
EonTech Global Group (pvt)Ltd

Apr 2026 – Oct 2026 | Galle, Sri Lanka

- Designed user-friendly UI/UX prototypes using Figma.
- Collaborated with developers to implement responsive designs.

PROJECTS

SmartStay Hotel Management System
Spring Boot, Html, MySQL, SMTP

Aug 2025

- Engineered a scalable hotel booking engine, accelerating booking processing by 30% through streamlined API routing.
- Created RESTful APIs for reservations, room management,payment integration, and mechanized email notification systems.

HandSpire Craft Platform
React, Node.js, MongoDB

Jan 2026

- Launched a full-stack marketplace featuring high-concurrency API routing to ensure seamless traffic flow.
- Implemented a multi-layered authentication system to safeguard vendor data integrity and platform security.
- Developed a library of reusable, responsive UI components, ensuring a consistent user experience across mobile and desktop devices.

SUMMARY

Motivated IT Professional and aspiring UI/UX Engineer with interests in networking, database management, data entry, and full-stack development. Skilled in designing user-centered interfaces, developing responsive web applications, managing data accurately, and applying fundamental networking concepts. Detail-oriented and adaptable, with a strong willingness to learn new technologies, improve technical capabilities, and contribute effectively to a professional IT environment.

TECHNICAL SKILLS

Frontend & UI/UX
- **React.js | TypeScript | React Native**
- **Figma | Tailwind CSS**

Backend
- **Java | Node.js & Express**
- **Python**

Tools & Workflow
- **Git & GitHub | Postman**

Database & Cloud
- **MySQL | MongoDB | Firebase | GCP**

CERTIFICATIONS

Diploma in Information Technology
ESOFT Metro Campus

Circle Edge Certificate
IJSE

GENESYS Hackathon
IJSE

Basics of UI/UX
Simplilearn

Introduction to Software Testing
Simplilearn

PROJECTS

Streakify Habit Tracker

React Native, Expo, TypeScript

Feb 2026

- Built a cross-platform mobile habit-tracking application with offline-first data persistence using AsyncStorage.
- Planned an intuitive and responsive mobile UI focused on productivity tracking.

Patient Risk Stratification System

Python, BeautifulSoup, Seaborn, Data Analysis

Mar 2026

- Formulated a Vitality Complexity Index that streamlined the processing of large clinical datasets to accurately categorize high-priority patient cases.
- Translated complex clinical data into actionable medical insights using interactive Seaborn visualizations, directly assisting staff in triage accuracy.

EDUCATION

Undergraduate in Computer Science

IJSE Institute of Software Engineering

Feb 2024 - Sep 2026 | Galle, Sri Lanka

Diploma in Information Technology

ESOFT Metro Campus

Jun 2022 -Jun 2023 | Bandarawela, Sri Lanka

GCE O/L & A/L (Physical Sciences)

Vishaka Girls' College

Jan 2008 - Dec 2021 | Bandarawela, Sri Lanka
